Safety Helmet with New Adjustment System: Advanced Safety and Optimal Comfort

Features:

- **New rear adjustment system with dial:** for exceptional comfort and complete contact with the nape of the neck.
- **Lightweight, comfortable and well-ventilated:** ideal for prolonged use.
- **Chinstrap designed to open in case of suspension:** for maximum safety.
- **Sizing dial is easy to adjust, even while wearing gloves:** for a precise and secure fit.
- **Shell with ventilation holes:** for better breathability.
- **Positioning hooks for mounting a headlamp:** for increased visibility in low light conditions.
- **Shell is pre-drilled to accommodate a visor and earmuffs (optional):** for complete protection.
- **Internal "spider" system with removable and washable padding:** for optimal hygiene.
- **Universal size (52-64 cm):** adaptable to different head shapes.
- **Internal identification label:** for owner identification.
- **Integrated NFC chip:** for traceability, periodic inspection and user records.
- **Quality product made in Italy:** for maximum reliability.
